

**PATRIZIA
KAHL-RAINER**

joined ZAK as a Clinical Research Associate (CRA) in September 1997, after working for 4 years as Clinical Research Scientist (CRS) at the Institute of Tumorbiology and Cancer in Vienna focusing on colon cancer research.

Prior to that she worked at the Austrian Institute of Technology (AIT) in Seibersdorf as volunteer.

Patrizia has obtained a master's and a doctor's degree in biochemistry and nutrition from the University of Vienna in 1991/1994.

After gaining valuable experience in performing clinical trials at each phase and for many different sponsors, she became a senior CRA in 2006, 3 years later Group Leader Oncology, in 2014 international Group Leader & Project Manager and in 2015 she was granted power of attorney at ZAK. Due to her attendance, experience and her different responsibilities for many years already, Patrizia became a mainstay at ZAK.
